CATÁLOGO ORION

La naturalidad de la piedra se refleja en la serie Orión respetando los detalles que solo la naturaleza es capaz de crear. Suave y agradable, nace con una paleta de color elegante y equilibrada. La majestuosidad del pulido, la elegancia del lapatto y el realismo del acabado natural, convierten esta serie en un infinito abanico de posibilidades para la decoración y la arquitectura.

The naturalness of the stone is reflected in the Orion series, respecting the details that only nature is capable of creating. Soft and pleasant, with an elegant and balanced color palette. The majesty of the polished, the elegance of the lapatto and the realism of the natural finish, turn this series into an infinite range of possibilities for decoration and architecture.
