

Orion

Orion representa una reinterpretación contemporánea de los materiales pétreos con una estética sobria, elegante y equilibrada. Esta serie cerámica se basa en la simplicidad y naturalidad de la piedra, combinando una paleta neutra con una textura cálida y envolvente que aporta carácter sin renunciar a la serenidad visual.

Disponible en tres tonos, Beige, Stone y Moon. Orion ofrece una gama cromática que va desde neutros suaves hasta matices grises profundos. Cada color está cuidadosamente diseñado para integrarse con armonía en diferentes contextos arquitectónicos, aportando una estética atemporal que se adapta tanto a ambientes residenciales como contract.

Su acabado natural resalta la estructura y el detalle de la superficie, creando un equilibrio visual que transmite calma y sofisticación. Orion es una serie versátil, pensada para quienes buscan una cerámica que combine funcionalidad, diseño y una conexión estética con los materiales naturales.

Orion: superficies que inspiran espacios cálidos, equilibrados y contemporáneos.

Orion embodies a contemporary reinterpretation of stone materials with a sober, elegant, and balanced aesthetic. This ceramic series is grounded in the simplicity and natural beauty of stone, combining a neutral palette with a warm, enveloping texture that delivers character without sacrificing visual calm.

Available in three shades, Beige, Stone, and Moon. Orion presents a chromatic range from soft neutrals to deep gray tones. Each color is thoughtfully designed to harmonize with diverse architectural contexts, offering a timeless aesthetic suitable for both residential and contract environments.

Its natural finish accentuates surface structure and detail, creating a visual balance that conveys serenity and sophistication. ORION is a versatile series crafted for those who seek ceramics that merge functionality, design, and a strong aesthetic connection to natural materials.

Orion: surfaces that inspire warm, balanced, and contemporary spaces.

Orion **Beige**

The image displays a full-page background texture of a light beige or taupe color. The texture is highly detailed, showing a mottled and veined pattern characteristic of natural stone or high-quality ceramic tiles. There are subtle variations in tone, with some areas appearing slightly darker or more saturated than others, creating a sense of depth and organic movement. The overall effect is a sophisticated and understated surface finish.
